

ABOUT US

Newtex Global is an International textile sourcing and marketing organization. We are an International Trading Company that sources and supplies a range of Textile Products to clients across the globe.

We take each and every requirement of our clients with commitment and passion. Our product knowledge, sourcing expertise, presence of global partners and experts results in customer satisfaction and strengthen our relationships with them.

We believe in walking extra miles by customizing our services to suit clients requirements and ensure that they achieve their business goals. We bring you fiber, yarns, greige, fashion fabrics, uniform, denim fabric and embroideries.

The company is owned by Mr. Sunil Kanodia, who has more than 23 years of International Marketing, Sourcing and Manufacturing experience in Textile Industry. He is a Textile Engineer from Indian Institute of Technology, Delhi and M.B.A in Marketing Management from S.P.Jain Institute of Management & Research Mumbai, India.

Mr. Sunil Kanodia has worked with Several Blue Chip Textile giants in Indonesia, India and Mauritius for several years.
