

Welcome to Newtex Global

Newtex Global is an International textile sourcing and marketing organization. We specialize in Spun yarns and Filament yarns, greige and finished fabrics (Dresses, Tops, Suitings/Bottoms and Uniforms), Denim fabric and Embroideries. As a textile agent & trader, we facilitate trade in yarn, fabric and raw materials.

We deal with yarn manufacturers in Indonesia, India, China, Thailand and Vietnam. We also deal with fabric and garment manufacturers from these countries.

We strongly believe that key to success is in serving our business partners with commitment and passion. We work toward satisfaction of our partners by providing quality products, competitive prices, on time deliveries and continuously updating them about market situation and dynamics.
